EDUCATION

University of Auckland

Bachelor of Science, Major in Computer Science

Auckland, New Zealand

Mar. 2024 – Nov. 2026

EXPERIENCE

Full Stack Developer + Co-Designer

Web Development Consulting Club · UoA Investment Club

- Built and maintained full-stack platform for 400+ club members to manage memberships, investments, and events.
- Developed a real-time portfolio tracker and integrated secure Stripe payments using React and Node.js.
- Collaborated with designers to align UI/UX goals, using Git for version control and team-based development.

Mar. 2025 – Present

Auckland CBD, Hybrid

Marketing Executive – Photography + Videography

University of Auckland CompSci Society (UOACS)

- Created high-performing short-form content optimised through A/B testing and performance analytics.
- Used data-driven strategies to structure content based on viewer retention metrics and audience segmentation.
- Streamlined cross-functional workflows using cloud-based collaboration (Google Drive, Dropbox), aligning brand voice with campaign goals.

Jul. 2025 – Present

On-Site

Video Editor

Glide Media, The Morning Marketer, The Aspiring Founder, Yuma Media

- Edited short-form and long-form YouTube content across fast-paced, corporate, and documentary styles.
- Produced full-length podcast episodes (60+ minutes), managing multi-camera timelines and pacing.
- Used audience retention and watch-time data to inform edit structure and highlight selection.
- Built scalable workflows using Premiere Pro, After Effects, motion graphics, and CGI/VFX tools.

Jun. 2025 – Present

Remote
